

Training Workshops Schedule 2023

- **Tricks and Games (Novice):** March 25th and 26th from 9am-3pm with a 1-hour lunch. The workshop is \$300 and includes a Novice Trick Dog Certification through AKC. You will learn more than 15 tricks, mind games and jobs. We recommend having an introduction to basic obedience and a solidified recall for the workshop.
- **Beyond the Basics:** April 15th and 16th from 9am-3pm with a 1-hour lunch. The workshop is \$250 to cover both days. You will learn new functional skills such as place, leave it and emergency recall as well as putting your dog's skills to the test in real-life situations.
- **Reactivity Handling:** May 13th, 20th and 27th from 9am-12pm. The workshop is \$300 to cover all days. We will set you up to guide these dogs to success through proven techniques to decrease these behaviors and teach alternate responses to those environmental triggers. We will employ the use of tethers, physical barriers, skilled staff, and lots of treats, of course!
- **Dog Park Etiquette:** June 24^h from 9am-12pm. This workshop is \$100. We will teach you how to introduce your dog to new dogs, how to introduce them to group play, and all the things to watch for when they are playing with their friends. After this one-day workshop, you can expect to walk away feeling more confident in assessing if play is polite and have the tools to intervene if necessary.
- **Enrichment:** July 15th from 11am-2pm. The workshop is \$150 and will educate on building enrichment toys for your dog. Supplies will be provided to make and take home your own interactive toy, education and benefits of interactive toys and discovering what your dog likes.
- **Tricks and Games (Intermediate):** August 12th, 19th and 26th from 9am – 12pm. The workshop is \$300 and includes certification through Do More With Your Dog! This workshop will cover everything you and your dog need to earn your Intermediate Trick Dog title through Do More With Your Dog!
- **Park Pack Walk:** September 16th from 9am-12pm. This workshop is \$100. This will teach loose leash walking with distractions, as well as long line recall. This workshop will touch on walking with distractions, walking with other dogs nearby, polite greetings, advanced leave it, emergency recall, and long-distance recall with distractions. A 15-20 ft long line is REQUIRED for this class.

- **Canine Conditioning:** September 30th, October 7th and 14th from 9am-12pm. This workshop is \$300 for all days. Canine conditioning is important for all dogs, big or small. Through specific exercises we can improve body awareness, flexibility, balance, speed, mobility and muscular strength – which overall improves our dog's performance and reduces their risk of injury. This is something that helps you create a stronger bond with your dog and helps keep them safe and healthy!
- **Lunch with a Trainer:** November 18th from 11am-1pm. This workshop will be \$75 with a lunch provided. Please let us know of any dietary restrictions and we are more than happy to accommodate. Come and ask questions and learn from the professionals. Bring all your questions – and we mean all of them – and have lunch with our training team! We want to share our expertise with you, whether you have a dog, want to get a dog, might be shy around dogs, or don't even know where to start!
